HARROGATE SOCIETY OF MAGICIANS
NUMBER 20 October 2011

Our October Meeting on the 17th has as its theme “How many separate tricks can you fit in a household size matchbox?” There’s a challenge for you!

November 21st is scheduled for “Stationery Magic ” with envelopes or notepaper.

December 19th is “Magic with a box” (not a card box)

On 23rd September gallant members Stevie B, Bob McBratney, Mike Coyne and Brian Knowles set out to entertain at a Charity Quiz Night evening at the Conservative Club in memory of Ralph Hartley, with the proceeds going to the Macmillan Trust, Whilst they had a good reception it was difficult to squeeze into the existing Quiz arrangements. The Chairman was, however, appreciative of the contribution made by the Society.

Tony Pycroft of Selby emails his interest in learning about magic and some enterprising member may wish to run a course for him!

With luck we may find our President and his predecessor appropriately dressed for their annual handover of office picture so far unrecorded.

We have no plans for our outreach programme of village visits or other entertainment and we might put our minds to this task before the year end.

The York Society of Magicians is hosting “An Evening with David Charles” on Wednesday, October 12 at Shepherd’s Social Club, 131 Holgate Road, York, YO24 4DE. David who trades as Hocus Pocus Magic (www.hocuspocusmagic.co.uk) and (www.izzywizzymagic.co.uk) will be demonstrating some of his and his son’s stock and bringing along some special offers.

You are cordially invited to come along free of charge. The evening will start at 7.45 p.m. after an audition by a prospective member. The bar will be open from 7.00 p.m.

George R. Fowler. Hon Secretary Tel 01423 871358

Meetings usually every third Monday of the month at 8.00 p.m at the Conservative Club, East Parade, Harrogate, HG1 5LQ
