August 2008

Our next meeting is on Monday 18th August at 8.00 p.m and the theme for the night is "LIQUIDS" and so it is left to your imagination as to what you present.

On 15th September, Brian will be presenting "Older Magic" from 1930-1950. It is fascinating to see props and routines from another age and it is amazing how much material still exists.

It has been suggested that we celebrate our creation annually. What do you think ? Sadly Pinocchio's has closed but you may have other ideas as to where it might be staged.

And what about our "Trophy Awards" which has been allowed to lapse. Can we think of a different event or a different approach ?

We may not be a large Society or engage many speaker's or dealer dems but we do support surrounding Societies with these events. What we do have however is to have a jolly good time and learn a lot from each other in an informal friendly atmosphere.

That's all for this edition as I need to email and post in good time.
